

1. Eezy Pak is designed to keep clothing neat and tidy when you travel. Eezy packing and unpacking.
2. To use Eezy Pak remove the board from the base of the Pak.
3. For shirts and tops simply fold clothes around the board so as to form a shape the same as the base of the Pak. Then remove board and replace in the base of the Pak.
4. For trousers, slacks, shorts, lay waist band down one side of the Pak and fold in.
5. When placing clothes in Pak, alternate tops and waistbands so as to build Pak up square.
6. The Pak holds up to 12 items of clothing with room for socks and undies.
7. When you have completed packing, secure Pak with Velcro Straps, keeping clothes neat and secure.
8. Advantages of Eezy Pak
 1. Keeps clothes neat & tidy.
 2. Travelling with an overnight bag, an easy one pack, one unpack.
 3. No rummaging through your bag or suitcase.
 4. Comes with folding instructions.
